Brian Bonde organizes the day's programming.

Ginger Haviat, Chaz Pahlmeyer, and Matthew Effken cover the ASA Convention.

The 1978-79 school year was one of growth and change for KAUR. Eugenia Hartig took over as Faculty Advisor. Broadcast began from a new air studio with substantially new equipment. In January Brian Bonde replaced the graduating Lee Axdahl as General Manager. By April the 1978-79 staff had been selected. Most important of all was the approval of plans for a power increase to 400 watts.
